	We have developed resources to help you through	this challerging time. Click	here to learn more.		×
	Download Center Deveload for IT Advin -		Devertion for IT Admin -		
	Zoom Client for Meetings				
	The web browser client will download automatica meeting, and is a so available for manual cownload		hrst Zoann		

or For Mobile Phone:

Go to Play Store->Search by zoom-> download & install ZOOM Cloud Meetings.

=> To join in the online class, it is needed to have Meeting ID and it would be provided from respective course teacher

After installation the zoom,

=> Run the zoom application, using the following shortcut.

=> Then Click "Join a Meeting"

=> Then use Meeting ID (provided by course teacher) and Enter your Name with Student ID.

Say :(ID: 224422 Shafiqur Rahman) [This will be needed for keeping class attendance]

- Zoom					
Join Meeting					
Enter meeting ID or personal link name 🗸					
Enter your name					
Remember my name for future meetings					
<ul> <li>Do not connect to audio</li> </ul>					
Turn off my video					
Join Cancel					

=> You can join in the online class with or without video
